N/A

Stunning villa located in the very sought after area of Los Dolses. The complex consists of high end luxury properties and boasts a wonderful communal pool and gardens. The villa looks out on both areas as in a prime location. A private pool is also part of this property and has nice green area to the front. Entering through the side entrance door into the hallway there is the 1st of three very good sized bedrooms and a family shower/toilet room. You are then into the main living area comprising of designer kitchen, quality appliances included, large dining area and lounge. There are large double glass doors...(Ask for More Details!)
