Discover this unique and beautifully refurbished 3-bedroom country house, perfectly blending rustic charm with modern comforts. Set on a spacious 4,720m² plot, this 167m² home offers ultimate privacy, sustainability, and breathtaking mountain views. Designed for self-sufficiency, the property is completely off-grid, powered by solar panels, ensuring low maintenance costs and an eco-friendly lifestyle. Additionally, it features an eco-friendly septic tank, making it even more sustainable. Inside, the home boasts a spacious layout, including a wet room and a luxurious en-suite bathroom with both a shower and a bathtub. Outside, you can enjoy the above-ground pool, perfect for cooling off
